ORIGINAL RECIPE

Shirazi salad

A fresh, no-cook Persian salad for four

prep	servings	cooking

INGREDIENTS

- **4 small** Persian cucumbers, diced
- **3 medium** tomatoes, diced
- **½ small** red onion, finely diced
- **3 tbsp** fresh lime juice
- **1 tbsp** dried mint
- **2 tbsp** olive oil
- **½ tsp** salt

METHOD

1. Dice the cucumbers, tomatoes and onion into small, even cubes.
2. Whisk the lime juice, olive oil, dried mint and salt in a small bowl.
3. Toss the vegetables with the dressing just before serving.
4. Serve right away, with a little extra mint on top.

> **Dress it just before serving: salt draws water out of the vegetables.**
